To: [REDACTED] <[REDACTED]>

BruinALERT: Regular campus activities continue uninterrupted by the encampment demonstration that formed early Thursday, April 25, and remains in Royce Quad today. To date, the activity has been mostly peaceful. Our active monitoring of this situation continues to support a safe and peaceful campus environment that respects our entire community's right to free expression while minimizing disruption to our teaching and learning mission.

Safety personnel in Student Affairs Mitigators (SAMs) and Public Safety Aides (PSAs) uniforms are around the encampment site, and CSC security teams are also located throughout campus. While in the area, you may also hear helicopter activity that is associated with the news media covering the demonstration.
